PSEC Services and Fees Structure

Individual Houses:

Scope: Structural Engineering including Earthquake design & Detailing and Periodical Supervision. Usually house planning and finishes selection are the choice of owner; however generic advise will be provided if required.

Consultation Fees: We have tailored our consultation fees to encourage the customers to consult Engineers rather than just following a thumb rule designs which may sometimes be unsafe or uneconomical. We are offering a discounted fee as below but not exceeding 1.5% of construction estimate:

No. of storeys	Maximum Fees
Single Storey	Rs.20000/-
G+1 or Duplex House	Rs.30000/-
G+2	Rs.40000/-

Typical deliverables and Payment terms:

Soil pit inspection and Footings completion: 35% of the fees

Columns and Plinth Beams completion: 25% of the fees

Floor Beams & Slabs completion: 40% of the fees

Regd. Office: 4-3/4, Road:9A, New Nagole, R.K.Puram, Hyderabad-35, India.
